

MEMBERSHIP RENEWAL FOR 2020

Dear SCL member,

SCL has been having trouble with our PayPal account. To ensure members receive the benefits of their membership immediately, we will be processing dues payments via *Interac* e-transfer or cheque for 2020.

To pay by e-transfer fill in your information on this form, and then send an e-transfer in the appropriate amount to joshua.thienpont@gmail.com, *being sure to indicate the security question password in a separate email containing this completed form*. You will receive back a receipt of dues paid.

Alternatively, you can mail a cheque with the completed form to the address below.

Unlike in previous years SCL can no longer accept payment of dues for SIL. These must be made directly to SIL. More information can be found at <http://limnology.org/>.
